

# Document Destruction Policy

Adopted July 19, 2006  
Revised July 4, 2012

The Sarbanes-Oxley Act addresses the destruction of business records and documents and turns intentional document destruction into a process that must be carefully monitored. Nonprofit organizations should have a written, mandatory document retention and periodic destruction policy. Policies such as this will eliminate accidental or innocent destruction. In addition, it is important for administrative personnel to know the length of time records should be retained to be in compliance.
